FOUR YEARS OF WAR

Four years have passed since that fateful September 1st of 1939, when Adolf Schickelgruber, the Austrian house painter, threw aside his "peace mask" and poured an avalanche of men and metal into Poland. And for the second time in a generation, the lights again went out over Europe.

The conquest was bloody and brutal, but quick—amazingly. It revealed a new German military machine, whose efficiency and equipment immediately outmoded warfare as it had been known up to that time.

Then followed months of idleness—waiting. "Phony war" was the name given it. Hitler seemed unwilling to move out from behind his Siegfried Line, and France and England were unable to carry the war to him. Then came May of 1940, the rape of the Low Countries, the crushing of France—Dunkirk.

In less than a year the Nazis had mastered Western Europe, had almost won the war—almost. But "almost" blesses and curses history. Twenty miles across the Channel lay the white cliffs of Dover. The "master race" never got there.

Four years—four centuries to some within Hitler's "fortress." The darkness is not yet past. But time is running out and the finger tips of a new day of hope are stealing over the horizon.

In the light of this new day let us learn that there is never any ceasing in our warfare against hate, intolerance and greed. Let us be good soldiers in peace, then war can never again return to plague us.

"Date Conscious"? You'd Better Be - -

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

August 1—blue stamps R, S, and T became valid. Good for purchase of processed foods through September 20.

August 16—stamp 14 in War Book One, good for 5 pounds of sugar, became valid; good through October.

August 22—red stamps X became valid; good for purchase of meats, etc., through October 2.

August 29—red stamps Y became valid, good through October 2.

September 1—blue stamps U, V, and W became valid and remain valid through October 20.

September 5—red stamps Z became valid, good through October 2.

September 12—brown stamps A in War Ration Book Three become valid for purchase of meats, fats, oils, etc.

September 19—brown stamps B in Book Three become valid.

September 20—blue stamps R, S, and T expire.

September 21—last day to use "A" book coupons No. 7 for 4 gallons of gasoline.

September 26—brown stamps C in Book Three become valid.

September 30—tire inspection deadline for A book holders.

October 2—red stamps X, Y and Z expire; also brown stamps A and B.

October 20—blue stamps U, V, and W for processed foods valid through this date.

October 30—brown stamps C expire.

October 31—last date to use stamps Nos. 15 and 16 in Book One, each good for 5 pounds of canning sugar.

October 31—shoe stamp 18 (in War Ration Book One) expires.

October 31—tire inspection deadline for B book holders.

November 30—deadline for inspection of tires, C book holders.

Coffee has left the ration list altogether, so civilians may now face the rest of the ration news each morning with at least two cups of coffee between themselves and the hard world of reality.

Department President VFW Will Be Honored

Department of California President Mrs. Lola Connors will be honored at a chicken dinner by the San Mateo-Santa Clara County council, V. F. W. auxiliary, Saturday, September 18, at Palo Alto Veterans building.

Something For September

By Frances Lee Barton

ALL through the summer you have been varying your desserts as different fruits and berries are obtainable. Fall fruits will help you to continue this practice, but it is about time to seek delicious fruit recipes that call for something "fruit-flavored" rather than some "fruit". Such a dessert may be served in September or at any later time. It's always seasonable.

Gelatin Whipped Cream

½ package (¼ cup) fruit-flavored gelatin (any flavor); ¼ cup boiling water; 1 cup light cream.

Dissolve gelatin in boiling water. Add cream and mix well. Place in bowl of ice and water and whip with rotary egg beater 5 to 7 minutes, or until mixture begins to hold shape around side of bowl. Remove from ice water. Stir gently with spoon until smooth. Serve; or store in refrigerator until needed, stirring well before using.

Note: Mixture may be chilled in refrigerator instead of ice water. When thickened, beat until light and fluffy. Return to refrigerator to set slightly. Before using, stir until smooth.

The bulk of tin cans salvaged is used for tin reclamation and steel production—1 per cent tin and 99 per cent steel scrap.

California Automobile Association Urges Less Frequent Use Of Car Horns

Urging less frequent sounding of automobile horns, the California State Automobile association today reports the driver who has rounded out two years of operating a car in the crowded streets of a metropolitan area without once blowing his horn—or having an accident. With the aim of providing peace for the war worker asleep, this toot-less driver was convinced that careful driving would obviate the necessity of horn-blowing. The paragon of silent driving is an engineer on the staff of an Eastern automobile club.

More motorists should aim for quiet driving, suggests the automobile association, since so many war workers must get their sleep during daylight hours.

Recent amendments to the state vehicle code included one now in effect eliminating the requirement to use the horn when overtaking or passing.

Motorists are urged not to race their motors, not to use the horn to call friends to the curb and to remember that a push on the brake is better than a push on the horn since a quiet motorist aids the war effort.

Do you read the "papers"?

Certainly, everyone reads the "papers" for latest news, these days. But does your copy of the papers include local news of your neighbors, your city government, your home defense efforts, announcements by YOUR stores?

Not unless you read The Daly City Record, it doesn't. For San Francisco news is not Daly City news. Tax rates, civilian defense regulations, city government news (even county government news) from San Francisco do not apply in Daly City. You won't find your school news, organizational activities, etc., in San Francisco newspapers.

SAFEWAY Homemakers' Guide

Julia says- Get youngsters to make lunches and they'll eat 'em

SOMEONE said to me the other day, "Julia, I don't think any mother tries harder than I, to put up good lunches for the youngsters to take to school. But my Mary and Jack certainly don't show any enthusiasm for the sandwiches I make."

Then I told her about the experience I'd had with the same problem. Let the youngsters put up their own lunches!

With a little supervision, any child—from a sixth-grader on up—can do a good job of making up a lunch. And it's amazing, what a difference it makes. The youngster takes pride in the importance of the work. He knows the food will be what *he likes*, not just something "Mom thinks is good for him." Can't you just see him at school, saying to one of his pals at lunchtime, "I made this sandwich!"

It's surprisingly easy. Here's the way we do it, at our house:

1. The evening before a school day, after the dishes are done, my two youngsters and I decide on what will go into tomorrow's lunch.

2. The youngsters get all the necessary lunch "fixings" together.

3. They arrange the bread so that each slice is next to the "partner" it fits.

4. They spread each slice with a stiff silver knife (if butter is scarce one side is spread with dressing or a sandwich spread), covering the bread clear to the edge so it won't be dry eating.

5. They spread the fillings, making them at least one-third as thick as one piece of bread.

6. They cut the sandwiches in any one of a number of ways; for instance:

7. They carefully wrap each sandwich in waxed paper, so it will be fresh and tasty the next day.

8. They pack their lunches in paper bags, being careful to put such heavy items as oranges and apples in the bottom of the bag, and the more fragile sandwiches on top.

9. Then they put their lunches away in the refrigerator or other cool place, and clean up whatever mess they've made.

Incidentally, if you'd like more information on how we do this in our house, take one of the free leaflets waiting for you at Safeway.

ANNE WRITES TO HEADQUARTERS

WE HAD TEN PEOPLE HERE AT OUR PLACE, ON LABOR DAY. SERVED A PICNIC LUNCH AND EVERYTHING WENT FINE!
WE HAD EIGHT, AT OUR PLACE. BUT OH, ANNE, I HAD TROUBLES... I DIDN'T HAVE ENOUGH RATION POINTS...
...TO GET THE THINGS I WANTED AND HAD TO SERVE THE SAME OLD THINGS. I WISH I KNEW HOW YOU MANAGED SO WELL AND WHERE YOU GET SUCH CLEVER IDEAS.
IT'S NOT SO DIFFICULT, MARGE. FOR ONE THING, I PLAN WHAT RATIONED FOODS I'M GOING TO NEED PRETTY FAR IN ADVANCE
AND TO TELL THE TRUTH, I GOT KIND OF WORRIED ABOUT THIS LITTLE PARTY, 'WAY BACK IN AUGUST I'D READ SOME OF JULIA LEE WRIGHT'S ARTICLES AND I KNOW SHE WAS AN EXPERT ON THESE THINGS SO I WROTE TO HER, EXPLAINED HOW MANY I PLANNED TO HAVE HERE...
...AND ABOUT HOW MANY RATION POINTS I COULD AFFORD TO USE AND THAT I HAD A PICNIC LUNCH IN MIND. SHE SENT ME THE KEENEST SUGGESTIONS! I COULDN'T GO WRONG!
SAY, I'M HAVING ANOTHER BUNCH AT THE HOUSE LATE THIS MONTH! WHERE DO I WRITE TO JULIA?
THE ADDRESS IS JULIA LEE WRIGHT, BOX 660-SR, OAKLAND 4, CALIFORNIA

That's Not the Only Question Julia Likes to Answer!

Mrs. Wright has the entire Safeway Homemakers' Bureau to draw on for information and ideas. If you have some question regarding food, budgeting, nutrition, party planning—send it to her in detail. She'll write to help you!

MILO'S MARKET DE LUXE

6315 MISSION ST.

What can I do?

We believe that nearly all Americans are convinced that, with all its drawbacks, a food rationing program is necessary for an equitable distribution of foods. We have only to remember the chaos which existed prior to rationing, when various lines were "bought out" at the stores.

To help make food rationing more workable, each American housewife or purchaser of food for the family unit, should do everything within her power to cooperate with retailers. An understanding of details of the program will do much to aid in daily shopping. Please remember that your food dealer does not make the regulations, but is charged with the responsibilities of carrying out a plan which rationing experts have decided is most helpful to the nation at large.

As Daly City's largest food center, Milo's Market brings you complete shopping service in one big, modern, deluxe market. At the "Top of the Hill" in the center of Daly City's business district, our one-stop convenience can be a real aid in these busy times.

Strongly competitive prices, made possible by our really big-store operations, reign in all departments. Featured are nationally famous brands of staple and fancy groceries at rock-bottom prices; complete selection of all kinds of fresh fish and poultry; and a meat department whose tremendous volume assures a wide choice of cuts and kinds of fresh and cured meats at low prices.

"Gardening" is a pleasure in our enormous section set aside for fresh fruits and vegetables, with racks and racks of every produce item in season. All are daily-fresh, hand-selected from the best at the growers' markets.
